SHRM CAPABILITY PROGRAM

Build Your Credibility. Advance Your Career. Create Greater Impact.

Combining the official SHRM Capability Program with expert facilitation and peer learning, this program equips participants with the **knowledge, behavioural competencies** and **confidence** needed to succeed in today's rapidly evolving HR profession.

As an authorised SHRM partner in Australia and New Zealand, Peter Berry Consultancy helps HR professionals prepare for the globally recognised SHRM-CP® and SHRM-SCP® credentials through an expert-led SHRM Capability Program experience.

The course combines guided instruction with access to the official SHRM Certification Prep System, helping you assess, plan, learn, practice and review.

For over 30 years, Peter Berry Consultancy has partnered with organisations across Australia and New Zealand to strengthen leadership capability, improve organisational effectiveness and make better talent decisions.

When you learn with PBC, you gain:

- **SHRM-certified facilitators**
- **Practical workplace application, not just exam preparation**
- **Local support from experienced practitioners**
- **Access to global SHRM content and standards**
- **A collaborative learning environment with HR professionals across the region**
